- A. Strawberry Festival- there will be a final report at the next meeting. It was discussed that the guidelines for this event as well as others need to be addressed by the board. The way event persons have been reimbursed is very confusing to the Treasurer. A new form was presented for members seeking

reimbursement for expenses. In the future those in charge of expending monies are asked to fill out the form and give it to the Treasurer. Forms may be picked up from the treasurer or at Midway Lodging.

**B. Restrooms-** Micharel Fulginiti reported that the restrooms were in fine shape.

**C. Membership Committee –** There are 2 new CAB members. Welcome The Sacopee Valley Snow Drifters and The Saco River Festival Association.

**D. Apple Festival -** A To Do list was circulated to those present and will be filled in as plans progress. Twenty vendor spaces have already been filled. ABS

**Computers:** Grady Weed said he would like to have a booth serving hot dogs and popcorn (if the Kettle corn man does not return). More food vendors are needed. If you know of a good food vendor please let Patty Rowley know. It was suggested that businesses and vendors be offered the opportunity to have their business logoed on signs at a cost of perhaps \$20.00. An example could be: Scott Design welcomes you to this parking space. More will be discussed at a future meeting about this idea. Ideas for tee shirts were also discussed. A special Apple Festival Meeting will be announced soon to work on details for the festival. A Chair is still needed to be in charge of the utilities for the festival and also someone to take responsibility for parking and traffic control.

**E. Open Discussion\_** A special thank you goes to June and Keith Schram of Out of Knowwear for their efforts to make the corner of Thompson Park look most inviting for summer months. Emily Ward who always plants the park for the summer asked for their help and they did a spectacular job.

The meeting was adjourned a 6:45 so that the next group could use the church space Watch for an announcement of a SPECIAL APPLE FESTIVAL MEETING.

Respectfully submitted,  
Ernestine Bash, Secretary
