P.O. Box 611

**January 30, 2018**

**The Sacoee Valley Snow Drifters was started in the early 1960's by group of dedicated snowmobilers that wanted to promote snowmobiling throughout picturesque Sacoee Valley created by the Ossipee and Saco Rivers. Our trails meander through Parsonsfield, Porter and South Hiram, and connect with Cornish Sno-Cruisers in Cornish, RT. 11 Streakers in Limerick, Parsonsfield, and Newfield, Burnt Meadow Snowmobile Club in Brownfield, and The Hiram Hill Climbers in Hiram.**

**We are a small but dedicated group that promotes and supports all the area businesses, as well as we support and thank all the land owners that allow trails on their property.**

**We are affiliated with the Maine Snowmobile Association.**
