Dear Current and Prospective CAB Member,

Last year I feel CAB put their best foot forward and completed several advertising and promotion items creating interest and growth in Cornish and the surrounding area businesses. With the continuing efforts of the Cab Officers, the Board of Directors and the Business members we are able to provide to you the following accomplishments this year.

Here is what we were able to complete:

- Updated design and content for www.cornish-maine.org
- Spring Fling welcoming a new businesses in the area
- Discounted booth rental for CAB members
- Provided several local advertising opportunities to CAB members
- Listed Cornish's free events in "There's No Place Like Home" (a York County publication)
- Joined Maine Tourism Association
- Cornish Brochure (enclosed) over 1,000 Placed at Visitor Information centers in Kittery and Fryeburg
- Cab supported local events with ads that listed current CAB members
- Membership Window Stickers
- Over 1,000 Apple Festival flyers printed with current CAB member listing on back were sent to Festival vendors and placed at stores in the surrounding area businesses.
- Best attended Apple Festival yet.

This was only made possible with the collective efforts of the CAB team members as well as dependable volunteers that allow this association to grow and expand. I thank all of you and I look forward to continuing the same strong efforts and want to share all of your ideas bringing change and improvements within the organization. I welcome and encourage any suggestions that you can contribute this year. Your input is important and necessary to CAB.

CAB is well-known as the sponsor of the Cornish Apple Festival every year at the end of September. This is our biggest annual fund-raising activity and certainly the most fun. The "Spring Celebration" is now an annual event thanks to the support of CAB members. Of course, we do much more than fundraising. For example, every year we recognize a senior student at Sacoppee Valley High School and award a scholarship for their achievement to college.

CAB is focused on the Town of Cornish and its surrounding communities, we already know that it is the best place to do business as well as a great place to live and raise our families. So I'm asking past CAB members to renew your membership and any other business to please consider joining. It makes no difference where in town your business is located only that you do or impact business in the Cornish area. We invite and want you to be a part of CAB. If you still don't know or are having trouble making up your mind, please give me a call at 625-4993 and I'll be happy to talk with you about your concerns or suggestions.

Please take a moment to fill out the attached form and send it along with your check to the address shown. Be sure to send it in before the end of March so you can get your business listing in the 2010 Cornish Brochure.

I look forward to welcoming you to CAB.

Very truly yours,

Scott E Rowley
President
